

Bold by Devoteam becomes Devoteam Portugal.

Lisbon, January 27th, 2022 – Devoteam, leading consulting firm in EMEA announces the merger of its Portuguese team into Devoteam.

Devoteam, a leading technology consulting company with 25 years of experience, present in 20 countries in the EMEA region and with over 8,500 employees, will reinforce its investment in Portugal. A BOLD shareholder for the past 4 years, the French brand has taken a step with the intention of accelerating Portuguese businesses through the combination of the best technological partners, investment in internal talent and multidisciplinary of its teams.

With the new brand, there is also an ambitious local strategy based on strategic partnerships with key cloud providers - **AWS, Google Cloud and Microsoft** - and **multi-local partners** like OutSystems. In addition to the Cloud area, Devoteam's strategic plan also focuses on technologies and services such as cybersecurity, data, hyper-automation and sustainability. By the end of 2022, Devoteam in Portugal expects to achieve over €65 Million of revenue, coming from the various services and to recruit 400 employees.

"Since 2009, we have been building a path that we are very proud of and along which we have been growing and reaching new heights with our employees, customers and partners. Devoteam in Portugal represents the next step in the work we have been developing in our country", says **Bruno Mota, Managing Director of Devoteam in Portugal**, "we are more motivated than ever to continue our mission of combining creativity and strategy with technology to build a better future", he concludes.

Devoteam's global offering covers six major areas: Digital Business & Products; Data-driven Intelligence, Distributed Cloud, Business Automation, Trust & Cybersecurity and Sustainability enabled by Digital.
